

ATTACHMENT A

Amendment to the Claims

This listing of claims will replace all prior versions, and listings, of claims in the application:

1-36 (Canceled).

37. (New) A hypoallergenic cleansing composition for skin or hair comprising a human serum albumin and a cleansing agent, vehicle, carrier or excipient in amounts effective to be absorbed into skin or hair and to cleanse skin or hair.

38. (New) The cleansing composition according to claim 37 which is in the form of a shampoo, cream, oil or lotion.

39. (New) The cleansing composition according to claim 37 wherein the cleansing agent is a soap.

40. (New) The cleansing composition according to claim 37 wherein the serum albumin is a recombinant serum albumin.

41. (New) The cleansing composition according to claim 37 wherein the serum albumin is dissolved in a liquid soap.

42. (New) The cleansing composition according to claim 41 wherein the serum albumin comprises 1 to 10 mg/ml of the liquid soap.

43. (New) The cleansing composition according to claim 37 wherein the serum albumin in the composition is at a concentration in the range of 1 to 250 mg/ml.

44. (New) The cleansing composition according to claim 37 wherein the human serum albumin is present at a concentration of 40 mg/ml.

45. (New) A hypoallergenic cleansing composition for skin or hair consisting essentially of human serum albumin and a cleansing agent, vehicle, carrier or excipient in amounts effective to be absorbed into skin or hair and to cleanse skin or hair wherein the cleansing agent is a soap.

46. (New) A hypoallergenic cleansing composition according to claim 45 wherein the serum albumin is a recombinant human serum albumin.

47. (New) A hypoallergenic cleansing composition for skin or hair comprising human serum albumin and a cleansing agent, vehicle, carrier or excipient in amounts effective to be absorbed into skin or hair and to cleanse skin or hair wherein the serum albumin is dissolved in liquid soap.

48. (New) A hypoallergenic cleansing composition according to claim 47 wherein the human serum albumin is a recombinant human serum albumin.
